Fundraising 2018-19

I would like to take this opportunity to thank you for assisting the Dunedin High School _____ in raising funds for the school.

The funds donated will be used for many things ranging from equipment, uniforms, food and drink, transportation, lodging, cost of competitions including entry fees, and other incidental expenses the programs may incur to be spent at the discretion of the Coach/Sponsor/Director/ For a minimum donation of \$500.00 we will hang your banner in the Dunedin Memorial Stadium. We have 4 foot tall fences so banners of 3'x 6; or 3' x 8 ' work best though we can accommodate other sizes if you already have a banner you would like us to display.

For a minimum of a \$300.00 donation we will hang your banner in the Frank L. Griffin Athletic Center Gymnasium. In the Gymnasium we recommend 3' x 3' banners though once again we can accommodate other size banners as long as they are not too large.

If you wish to have 2 or more banners displayed we will reduce the minimum donation for the additional banners by \$100.00 each.

Thank you for your support.
